

Special requests...but who is taking care of that?

We are looking for a

Special Request Manager, respectively a Project Manager for interior fitting (full time)

**for upscale turnkey projects
on the residential, industrial and commercial sector**

Our dream candidate should have the following:

Hard Skills

- Degree in architecture or construction engineering
- Desirable are 2 to 3 years' experience when it comes to executing special requests or the building sector; marketing know-how is a plus as well
- Highly structured and methodical approach to challenges
- Project experience and/or the ambition to familiarize comprehensively with new topics
- Drivers licence, class B

Soft Skills

For our young and dynamic team, we are looking for an equally young (at heart) and dynamic individual with "hands-on-mentality" and the ambition to make the impossible possible. A distinct service-oriented mentality is imperative.

What we can do for you

We offer a modern, flexible and incredibly dynamic work environment with a chance for personal advancement.

Should you be interested to work for and with us, please apply to:
